ML2000 Series Mortise Lock Status Indicator

With a unique and highly visible window design, Corbin Russwin's new status indicator options, available for the ML2000 Series mortise lock, provides clarity on the locked/unlocked status of a door. The patent-pending design allows users to easily and clearly see if a door is locked or unlocked; if a room is vacant or occupied. Available for use with a wide range of trim options and with a variety of functions, the new mortise lock status indicators are versatile for any application.

Experience a safer
and more open world

ML2000 Series
