

# ASSA ABLOY Berlin Environmental Policy

The global leader in  
door opening solutions

We are committed to sustainability. We shall:

- Maintain compliance with relevant environmental, legal and other requirements
- Prevent pollution
- Minimize waste generation
- Reduce consumption of resources through continuous improvement efforts

Top management shall define ASSA ABLOY Berlin environmental policy and ensure that, within the defined scope of the Environmental Management System (EMS), our policy meets these criteria:

- Appropriate to the nature, scale, and environmental impacts of our activities
- Includes a commitment to continual improvement and pollution prevention
- Includes a commitment to comply with applicable legal requirements and other requirements to which we subscribe related to environmental aspects
- Provides a framework for setting and reviewing environmental objectives and targets
- Is documented, implemented and maintained
- Is communicated to all persons working for or on behalf of ASSA ABLOY Berlin
- Is readily available to the public
